#### 3.2 Process and Performance Indicators

#### **Process Indicators Suggested Performance Indicators**

- 1. Has the SCERT revised the teacher education curriculum of D.Ed course based on National Curriculum Framework for Teacher Education 2009? SCERT has prepared its new D.Ed. syllabus, course content, school experience programme and implemented since 2007. The whole programme puts more emphasis on teachers' role as learner, learning facilitator and resource generator.
- 2. Has the SCERT re-designed the school curriculum, textbooks and assessment processes based on the National Curriculum Framework 2005? SCERT has prepared its new textbooks for elementary classes and prepared SCF 2007. In Chhattisgarh 7 out off 16 DIETs have prepared DCF our target is to carry this process to cluster level.
- **3.** Does the SCERT have a detailed, updated district-wise database on school education in the State? SCERT has database for elementary level but still we do not have complete data for secondary level.
- **4.** Has the SCERT established special cells/laboratories for Mathematics, Science, Languages, Social Studies and Educational Technology? SCERT has not yet established laboratories due to insufficient space but we have functional cells to work on these subjects. We are preparing proposal to construct new building with space to establish laboratory.
- 5. Does the SCERT hold regular meetings with
- a. SSA
- b. RMSA
- c. DIETs
- d. CTEs
- e. IASEs

Yes, SCERT frequently holds meeting with different functionaries working for elementary and secondary education cell wise record is maintained.

- **6.** Has the SCERT re-organized its structure based on its requirements? SCERT has its own structure not according to the model structure suggested by NCERT but it is very vibrant and has sufficient space to accommodate faculty of various organizations.
- **7.** Has the SCERT developed orientation programmes for educational administrators and head teachers? SIEMAT is working as part of SCERT which takes care of educational administrators and head of institutions.
- **8.** Has the SCERT developed material for teacher educators to use in other teacher education institutions and for teachers in schools? Yes, recently SCERT is engaged in process of translating NCFTE 2009 very shortly it will be circulated among TTIs. Earlier we circulated NCF 2005 and SCF 2007 among all teacher training institutes.

SCERT has developed D.Ed. ODL course and this year after getting recognition from NCTE we have registered 10000 primary teachers for this course

**9.** Has there been recorded feedback (through assessment & user studies) on the range & quality of material developed? Yes, this year we are going to assess complete material and its use done by ECCE centers.

- 10. Does the SCERT conduct research studies related to education issues in the State?
- Yes, SCERT engage various agencies to study the impact of various plans run by the state Govt., This year we are **evaluating "Saraswati Bicycle Supply Scheme** (free)" (Saraswati Bicycle Supply Scheme' is one of the substantial schemes run by the state government for the promotion of education. Under this scheme Ladies Black Bicycles are distributed free of cost to the girls of SC, ST category and those belonging to the BPL families who are studying in 9th standard of government schools. This scheme was launched to facilitate conveyance and promote girls' education.)
- 11. How many studies have been done by SCERT faculty in the year number of proposals submitted/accepted/completed?

A study of effectiveness of teaching in mother tongue at primary level with reference to tribal studies.

Acritical study of effectiveness of "Chetna Vikas Mulya Shiksha" on the teachers of the experimental schools.

Acritical study of effectiveness of "Chetna Vikas Mulya Shiksha" on D.Ed. students.

A study of effectiveness of various activities conducted by the Anganbadi centers for the mental development of the children and suggestion for their improvement

A study of effectiveness of ECCE material developed by SCERT for "shishu shiksha" at Anganbadi centers.

A study of effectiveness of Multi Grade Multi Level teaching in primary schools

12. What are the areas of research covered?

Mentioned in point 11.

**13.** How many publications have been authored by SCERT faculty – conference/seminar presentations, reports, newspaper/journal articles, books etc.? SCERT faculty contributes their experiences regularly in the journal published by MHRD and SCERT also prepares magazines for teachers and elementary students.

SCERT faculty made presentations in various national platforms, like on CCE, ECCE, Teacher Education, etc.

**14.** Are there regular faculty development programs for SCERT faculty?

Instead of faculty development SCERT engage their faculty in different faculty enrichment programmes in order to seek clarity in understanding.

- 15. What percentage of faculty members at SCERT were deputed for conferences; opted for study leave and undertook exposure visits?
- **16.** What is the frequency of faculty meetings within the SCERT? Are there records of the same?

In SCERT all the activities are conceptualized and executed by the core group made for the purpose so all faculty members are continuously in touch with the activities took place in SCERT and record is maintained by the concerned cell

- 17. What has been the most 'talked-about' process improvement in the year within the SCERT?
- 1. Implementation of CCE at elementary level
- 2. Conducting SSA training at cluster level to prepare permanent resource pulls at cluster level

# **Input/Activity Measures**

- $\textbf{1.} \ \% \ faculty \ vacancy \ in \ SCERT$
- Nil
- **2.** Number of teacher educators who have undergone orientation programmes conducted by SCERT More than 1000
- 3. Number of educational administrators and head teachers trained by SCERT Under RMSA all principals of high school and higher secondary school principals are covered and head teachers have been trained through EDUSAT centers with the help of two way communication.
- **4.** % of new books (< 3 years old) in the institution library Only 2%
